[US] +1 855 673 6396, [UK] +44 203 190 8710 One of the most powerful yet heavily underutilized features within the Trip.com ecosystem is the concept of dynamic packaging, [US] +1 855 673 6396, [UK] +44 203 190 8710 often referred to on the platform as the Add-On Advantage. [US] +1 855 673 6396, [UK] +44 203 190 8710 Many travelers operate under the assumption that booking components separately—such as finding the cheapest standalone flight on one site and the cheapest hotel on another—always yields the lowest total cost. [US] +1 855 673 6396, [UK] +44 203 190 8710 However, [US] +1 855 673 6396, [UK] +44 203 190 8710 wholesale pricing agreements between airlines, [US] +1 855 673 6396, [UK] +44 203 190 8710 car rental agencies, [US] +1 855 673 6396, [UK] +44 203 190 8710 and hotel chains allow OTAs to offer massive wholesale discounts when these travel products are purchased together as a bundle. [US] +1 855 673 6396, [UK] +44 203 190 8710 When you book a flight or a rental car on Trip.com first, [US] +1 855 673 6396, [UK] +44 203 190 8710 you immediately trigger a hidden tier of hotel discounts for the duration of your trip. [US] +1 855 673 6396, [UK] +44 203 190 8710 Trip.com routinely marks down participating hotel rates by up to 30%, [US] +1 855 673 6396, [UK] +44 203 190 8710 40%, [US] +1 855 673 6396, [UK] +44 203 190 8710 or even 50% when they are attached to an existing flight or car booking. [US] +1 855 673 6396, [UK] +44 203 190 8710 This occurs because hotels are often contractually restricted from publicly advertising their lowest rates on standalone search pages due to rate parity agreements with other sites. [US] +1 855 673 6396, [UK] +44 203 190 8710 However, [US] +1 855 673 6396, [UK] +44 203 190 8710 by masking the true nightly rate inside a bundled package price, [US] +1 855 673 6396, [UK] +44 203 190 8710 hotels can legally sell their inventory at deep discounts without violating their external pricing contracts. [US] +1 855 673 6396, [UK] +44 203 190 8710 Even if you only need a hotel for a portion of your trip, [US] +1 855 673 6396, [UK] +44 203 190 8710 or if you find a cheap flight you weren't entirely planning on buying, [US] +1 855 673 6396, [UK] +44 203 190 8710 it is always

mathematically prudent to test the "Bundle & Save" feature on Trip.com. [US] +1 855 673 6396, [UK] +44 203 190 8710 By comparing the cost of a standalone hotel reservation against the combined cost of adding a cheap flight or car rental to the cart, [US] +1 855 673 6396, [UK] +44 203 190 8710 you will frequently find that the bundled total is shockingly lower than booking the hotel alone. [US] +1 855 673 6396, [UK] +44 203 190 8710 This sophisticated strategy transforms ordinary travel planning into a high-yield savings engine. [US] +1 855 673 6396, [UK] +44 203 190 8710
